

Thanks for your
time

Great discussion.

Dells

Industrial use at I-29 Dells exit
Land already zoned light industrial

More commercial use in Dell Rapids
(grocery + business)

Commercial use north side of Sioux Falls
(grocery + drug store)

Highway 154 - speeding over I-29 bridge
at Dell's pit
visibility over bridge

higher
priority

255 from 478 to 480 - need
hard surface to Nordstrom's

480 from 254 to 255 - need
hard surface to Nordstrom's revised

272nd Ave - speeding b/c minimal
enforcement - posting signs could
help - bridge closure has made it
worse

①

Bridges on Erns Road (all county
roads in general)

(1)

Wardstones - Dust control
funds for access
truck traffic

township costs on the road
